What can we do for these and other ex Scouts who would like to continue with Explorers?

Doug,

I just bumped into Julian who asked about Explorers.

I thought I'd mentioned that there was still a hard core of 3 that are attending some of the District and other events. George, Saul and Anthony are all doing the 3 towers in two weeks time. There were not any takers for the Alps camp this summer though.

They are still limping along and are keen to continue.
