See our call rates

We aim to give our customers the best rates on calls to UK, mobiles and international numbers. See how much a call costs:

Compare call prices by location		United Kingdom (UK)		
	Standard TalkTalk Rates			500 Global Minutes Boost
	Daytime	Evening	Weekend	Anytime
Calls to Landlines	7.95p	Inclusive	Inclusive	-
Calls to Mobiles	11.30p	5.30p	5.30p	-

All rates in pence per minute

[†] Maximum inclusive call time 60 mins per call (redial to avoid International Boost rates).

Once the 500 minutes have been consumed International Boost rates will apply. [Click here](#)
